

gals GO FISH!

A Women Anglers' Guild

Dear College Student:

Gals Go Fish is a nonprofit Women Anglers' Guild promoting friendship, fun, and fishing and is interested in education and informational programs as it relates to outdoor activities.

Members are from various backgrounds and experience levels, sharing a common interest in improving skills, introducing the sport of fishing to others, and in helping to preserve the beautiful habitat where the great outdoor adventure of fishing takes place.

We would like to award a book scholarship to a woman who is pursuing a career in an area of study that is directly related to the environment and conservation.

The work of this individual would become an extension of our Gals Go Fish group as stated in the above mission statement.

We will award a \$500 per year (\$250 per semester) for one year. Please submit your application by July 15, 2016. The Scholarship/Outreach Committee will review applicants and you will be notified of our decision. If you are selected, a check for the first semester will be sent after our September Quarterly Meeting.
